San Fernando Valley Model A Club

Dear Harry,

It is my pleasure to announce that you have received the 2016 Certificate of Merit for the San Fernando Valley website.

Congratulations on an outstanding job. Your chapter is well served by a newsletter that gives them so much information pertaining to your club. It's a great resource for members and I know they receive much benefit from all that is available to them through this source. With so much information at their fingertips, they are a fortunate Chapter.

I wish you continued success.

Sincerely Yours,

Trudy Vestal
